Since opening Harbury Village Library as a Volunteer run Library in May 2012, we like to think that things have improved. Libraries have changed dramatically over the years and we have computers, DVDs, eBooks, audio books and so on to supplement the written word on paper. These are wonderful things, but most of us still like to hold and read a printed book. We are hoping that, with your help, we can bring the book stock up to date and offer the new books you want to read, while they are still new.

While we are delighted to receive new books from Warwickshire County Council, their funds are not endless. Books in a library wear out and need to be replaced. The Children's fiction section needs some new books (and so do most of the other sections!) and we would like to make Harbury Village Library your first choice for a good read. We have had some very good donated books and the shelves are filling slowly, but if you want to read the latest book, we'll need to buy it.

Our superb café, Biblio's, is helping to make the money to keep the bills paid and the building running smoothly, but we need more. Our bills are going up like everyone else's!

Any money you donate will go towards making our library the first class one we deserve.
